

Active Client References

Client: Absa Capital
Programme Type: Capital and Investment Banking
Term: March 2010 to 2011

Their software quality and testing services are very useful. They adjusted their software testing process according to our business.

Respondent: Gerrit Dreyer, Absa Bank, Programme Manager

Client: Mutual and Federal
Programme Type: Short Term Insurance
Term: July 2007 to July 2010

Their focus was on satisfying our requirements not just on implementing best practices or standards.

Respondent: Michael Steyn, Mutual & Federal, Head of IT, QA Manager

Client: Absa Capital
Programme Type: Capital and Investment Banking
Term: March 2010 to 2011

Their Test Analysts are "psychic" - able to find test cases from limited scope.

Respondent: Gerhard Engelbrecht, Absa Capital, Head of Programmes
